Blu
Jon Bellion

[Verse 1]
```
C                              C/E
```
Messing with my pride, thinking anytime
```
                  F
```
You could just get up and go
```
C                        C/E
```
Then I realize, what the hell is love
```
                F
```
If you re in complete control?

[Pre-Chorus]
```
C                      C/E
```
Hey ma, hey ma, hey, hey ma, hey ma, hey
```
F
```
Come to my house and take me home
```
C                              C/E
```
Sucked up by the wave, shot to outer space
```
            F
```
Stranded, but I m not alone

[Chorus]
```
C              F
```
Fall into your blue
```
C            Fmaj7
```
Fall into your blue
```
Am                       G
```
Fighting it is hopeless, sinking in your ocean
```
F
```
Just like He designed me to do
```
C            Fmaj7
```
Fall into your blue

[Verse 2]
```
C                              C/E
```
Sunrise in your bed, purple, yellow, red
```
              F
```
Only when it s you and me
```
C                        C/E
```
Take me to the edge, drag me through your lens
```
              F
```
Show me what I need to see

[Pre-Chorus]
```
C                      C/E
```
Hey ma, hey ma, hey, hey ma, hey ma, hey
```
F
```
Come to my house and take me home

```
C                            C/E
Avenues and lanes, parachutes and planes
            F
Push me out, away we go

[Chorus]
C               F
Fall into your blue
C               Fmaj7
Fall into your blue
