

Conversations With My Wife

Jon Bellion

[Pre-Chorus]

B **D#m** **C#**
I dreamt I slept on a sidewalk, but you still laid with me

B **D#m** **C#**
I dreamt I fell in a lion s den, and you still came for me

B **D#m** **C#**
I dreamt I lost all of my faith, and you still prayed for me

B

Who the fuck cares about these plaques on my wall?

D#m **C#**

You re still the only thing I ve done right

[Chorus]

F# **B**

Will you love me when my phone turns off?

F# **C#** **B**

I don t want to be some digital Jesus

No more followers, we ll both get lost

D#m **F#** **C#**

When it s me and you inside real life

F# **B**

Will you love me when my phone turns off?

F# **C#** **B**

I don t want to be some digital Jesus

No more followers, we ll both get lost

D#m **F#** **C#**

When it s me and you inside real life

D#m **F#** **C#**

I just want me and you inside real life

D#m **F#** **C#**

(I just want me and you inside real life)

[Bridge]

B **F#** **C#**
They ll say that I fell off, and it s alright

(They ll say that I fell off, and it s alright)

B **F#** **C#**
I m so ready to run from the spotlight

(So ready to run from the spotlight)

B **F#** **C#**
They ll say that I fell off, and it s alright

(They ll say that I fell off, and it s alright)

B **F#** **C#**
I m so ready to run from the spotlight

[Pre-Chorus]

B **D#m** **C#**
I dreamt I slept on a sidewalk, but you still laid with me

Who the fuck cares about these...

B **D#m** **C#**
I dreamt I fell in a lion s den, and you still came for me

Who the fuck cares about these...

B **D#m** **C#**
I dreamt I lost all of my faith, and you still prayed for me
