I watched them infiltrate my soul.

There s only one solution for my sins.
You gotta face your ghosts and know with no illusions
That only one of you is going home again.
And I blame this world for making a good man evil.
And its this world that can drive a good man mad.
                                             G D Am
And its this world that turns a killer into a hero.
Well I blame this world for making a good man bad.
[Chorus]
