B7/D# -x01202	Cdim -x01212	Em -022000
Am7 -002010	Gsus4 -320013	

Note: I saw Jon play this live the other day at a record store appearance. He played this capo d at the 5th, it sounds really good on a single acoustic but I m pretty sure this is how its played on the soundtrack. Let me know if anyone disagrees.

Intro:

G **Gsus4** **G**

G **Em** **B7**

C **D** **G** **C** **G** **C**

Verse 1:

G	Em	B7	
its something	unattainable		
C	D	G	C
that you can t	live without		
G	Em	B7	
and now the	unexplainable		
Am	C	D	B7/D#
has you	riddled with	doubt	

Chorus 1:

Em	B7	
things begin,	things decay	
Am7	C	Cdim

and you ve got to find a way -- to be ok

G Em B7

but if you want to spend the day

C D G C

wonderin what its all about

C D G

go and knock yourself out

G Em B7

C D G C

G Em B7

Am C D B7/D#

Chorus 2:

Em B7

why we re put in this mess

Am7 C Cdim

is anybody s guess

G Em B7

it might be a test or it might not be anything

C D G C

you need to worry about

C D G C

but if you re still in doubt

C D G

go and knock yourself out

G Em B7

C D G C

Its very easy, if need be you can replace
the B7/D# with a Cdim (its basically the same thing).
Good luck all.
