

Hollywood Seven

Jon English

[Verse 1]

Em **C** **Em**
She came in one night from Omaha, worn out cause she never could sleep on
trains.
C **Em**
Took the bus to Hollywood, lookin for a room in the pourin rain.
F **Dm**
With hair so blond and eyes so brown, she thought she d take
Bsus2 B
this town and turn it upside down.

[Verse 2]

Em **C** **Em**
I was livin in a hotel just off Sunset, she moved in across the hall.
C **Em**
She said she d be a movie star and waited every mornin for a call.
F **Dm**
So I asked her in just to have a little drink but she hardly had the time.
Bsus2 B
Her call might come tomorrow, she s got to learn her lines.

[Chorus]

Em **G** **A** **Em**
On Hollywood Seven, rooms to rent til your name goes up in lights.
C **Bsus2 B** **Em**
Hollywood Seven you can dream your dreams for seven bucks a night.

[Verse 3]

Em **C** **Em**
Now the months went by without a job, the money that she saved was nearly spent.
C **Em**
So she started bringing strangers home just tryin to find a way to pay the
rent.
F **Dm**
She d sit down and drink my coffee, got nothin much to say.
Bsus2 B
Just busy rehearsin in her mind, the scene she d never play.

[Chorus]

Em **G** **A** **Em**
On Hollywood Seven, rooms to rent til your name goes up in lights.
C **Bsus2 B** **Em**
Hollywood Seven you can dream your dreams for seven bucks a night.

[Verse 4]

Gm **D#** **Gm**
I found her there one mornin when she didn't come for coffee when I called.
Gm
She'd gone and brought the wrong one home this time,
D# **Gm**
there were crazy lipstick marks all over the walls.
Ab **Fm**
Now she's goin' back to Omaha but not the way she planned,
Dsus4 **D**
there will be no crowd to cheer her on, no welcome home, no band.

[Chorus]

Gm **Bb** **C** **Gm**
On Hollywood Seven, rooms to rent, til your name goes up in lights.
D# **Dsus4** **D** **Gm**
Hollywood Seven you can dream your dreams for seven bucks a night.

[Verse 5]

Gm **D#** **Gm**
She came in one night from Syracuse, tired from sleeping on the plane.
Gm **D#** **Gm**
Took a cab to Hollywood, dreaming of the lights that would spell her name.
Ab **Fm**
So much to take a lease out on the empty room across the hall.
Dsus4 **D**
Wakin' up every mornin', waiting for that call.

[Chorus]

Gm **Bb** **C** **Gm**
Hollywood Seven, rooms to rent, til your name goes up in lights.
D# **Dsus4** **D** **Gm**
Hollywood Seven you can dream your dreams for seven bucks a night.

Bbm **Db** **D#** **Bbm**
Hollywood Seven, rooms to rent, till your name goes up in lights.
F# **F7sus4** **F** **Bbm**
Hollywood Seven you can pay your dues for seven bucks a night.
