

Restless

Jon Foreman

Standard Tuning

For this song I didn't know what one of the chords was so what I came up with that sounds right to me is what I called Bsus because it sounds like a suspension over the B chord. It's basically the B chord except your pinky moves down a string onto the G string but still on the same fret it was on for the B chord.

I hope this helps you guys! Let me know if something needs to be fixed!

RESTLESS

B

 I am the sea on a moonless night,

Bsus 

Calling, falling, slipping tides

B 

I am the leaky, dripping pipes

B

sus The endless aching drops of light

B

I am the raindrop falling down,

Bsus

 Always longing for the deeper ground

B

 I am the broken, breaking seas

Bsus

 Even my blood finds ways to bleed

Abm

Even the rivers ways to run

E

 Even the rain to reach the sun

Abm 

Even my thirsty streams,

E 

Even in my dreams

Chorus â€œ

B Bsus 

I am restless, I am restless

B Bsus 

I am restless, looking for you

B Bsus

I am restless, I run like the ocean to find your shore

B Bsus

Iâ€™m looking for you

B

I am the one that you left behind,

Bsus

I am the thorn stuck in your side

B

I am the bored and clouded eyes

Bsus

Looking for the well that wonâ€™t run dry

B

Running hard for the other side

Bsus

The world that Iâ€™ve always been denied

B

Running hard for the infinite

Bsus

With the tears of the saints and hypocrites

Abm

Oh blood of black and white and gray

E

Death and life and night and day

Abm

One by one by one

E

We let our rivers run

Chorus â€œ

B Bsus

I am restless, I am restless

B Bsus

I am restless, looking for you

B Bsus

I am restless, I run like the ocean to find your shore

B E

Iâ€™m looking for you

B

Cause I canâ€™t feel you breathing,

Bsus

I canâ€™t feel you reaching

B

Pushing through the ceiling

Bsus

Making for the feeling

B

More than just a feeling

Bsus

Pushing through the ceiling

E;

Until the final healing

Bsus

Looking for you

Abm

Until the sea of glass we meet

E;

At last completed and complete

Abm;

The tide of tear and pain subside

E;

Laughter drinks them dry

B

I'll be waiting

E;

Anticipating

E;

All that I aim for

Gbm

What I was made for

Abm

With every heartbeat

E

All of my blood bleeds

E;

Running inside me

E;

Looking for you

B

Looking for you
