Verse 1  
**E5**

It takes a long time to kill a man

Fifty-five years at least

Until he breaks down

Starts to look underground

**A5**

To go off, and get him some peace

I want to die a lot quicker than that

If thatâ€™s my only way out

Iâ€™ve been counting up the coast

Getting up on that cross

I want to know what this is all about

Chorus

**B5**

**A5**

**E5**

Father Time steals our days like a thief

**B5**

**A5**

**E5**

Thereâ€™s no price that I wouldnâ€™t pay to get some relief

**C#m7**

**A5**

Iâ€™ve become the empty shell

**B5**

**A5**

Of a man I donâ€™t like so well

**B5**

**A5**

I am a living, breathing hell

**E5**

Come on and resurrect me

Verse 2

**E5**

I tried to drown the pain with a friend of mine

It didnâ€™t seem to help

Sheâ€™s got a pretty face with her wedding lace

**A5**

But Iâ€™m still waking up with myself

**E5**

I know what it means to choke it down

Down until your legs get weak

I know what itâ€™s like on Saturday night

To be alone in a crowded street
