TOMORROW S SONG

JON FOREMAN

Tabbed by:hurricaneherman
Tuning:Standard

~INTRO~

E C#m A E

~VERSE~

E

Grey skies and cloudy eyes and all the world is sympathizing

All the world feels sorry for the dreamer in your head

With white lies and alibis and all the world is terrified yeah

All the world is worried that the dreamer might be dead

~PRE-CHORUS~

C#m A C#m A B

If today knows no justice better off staying maladjusted

~CHORUS~

E B C#m A

Sing to me a melody for the ones that will never win

E B C#m A B

Songs of dreamers in between us the ones that will never fit in

A B C#m A B E

If today we don t belong let us sing tomorrow s song

~VERSE~

E

Back before the war began you and I were children then

We took our dreams and turned them in and traded them for guns

Everyday becomes a crisis left to our own devices

Traded in our dreams to fight these wars that can t be won

~PRE-CHORUS~

C#m **A** **C#m** **A B**
If war is our only song I refuse to sing along

~CHORUS~

E **B** **C#m** **A**
Sing to me a melody for the ones that will never win
E **B** **C#m** **A B**
Songs of dreamers in between us the ones that will never fit in
A **B** **C#m A** **B** **E**
Since today we don t belong let us sing tomorrow s song
