

**Magic And Mayhem**  
**Jon Fratelli**

from PC89

intro:

**C**

**C**

Say what you want but I guess I had it coming

**C**

Sold me a dream and a lie that kept me running

**Dm**

Out of the fire into the soulless

**G**

heart of the city screaming out for justice

**C**

I was the lover that she never wanted

**C**

She was the headache that I never needed

**Dm**

Born in the city summer nights in wonder

**G**

Lost in the glory then she turned me over

**F**

Here s to the magic here s to the blindness

**G**

Here s to the mayhem trail left behind us

**C**

I no one s hero, she no one s princess

**Am**

Danced like a fire, burning in the darkness

**Dm**

I saw the end before the beginning

**G**

Magic and mayhem, love kept us spinning

**C**

**C**

My finest hour, her longest nightmare,

**C**

Days turned to minutes, luck strung me out there

**Dm**

Locked in the silence, thrown out in the thunder,

**G**

Drowned in the lust and defeated in the wonder

**C**

I took what I could nobody could fault me

**C**

Bastards and thieves done everything to warn me

**Dm**

She took my wits and all that she could carry

**G**

Stole half my voice and locked it where I don't see

**F**

Here's to the moment here's to the worst night

**G**

Here's to the broken electric moonlight

**C**

She was the punch line I was the bad joke,

**Am**

Under the stars her thick promises broke

**Dm**

I saw the end before the beginning,

**G**

Magic and mayhem just keeps on winning

**Em**

**F**

Restlessly, helplessly stranded where I used to be

**C**

Our nights had changed, drowned in fire

**F**

Frozen with a fool's desire

**G**

Say something, say something, say what you want

But it's all crashing down on me

**F**

Here's to the magic here's to the blindness

**G**

Here's to the mayhem trail left behind us

**C**

I no one's hero, she no one's princess

**Am**

Danced like a fire, burning in the darkness

**Dm**

I saw the end before the beginning

**G**

Magic and mayhem just keeps on winning

**C**

Once imitated never forgotten

**Am**

Restlessly fated and misbegotten

**Dm**

Here's to the moment here's to the worst night

**G**

Here's to the broken electric moonlight

**C**

I no one s hero, she no one s princess

**Am**

Danced like a fire, burning in the darkness

**Dm**

I saw the end before the beginning,

**G**

Magic and mayhem love kept us spinning

**C**
