

2 Girls 1 Cup Song

Jon Lajoie

This is the true version played in the music video. The only other one was for some
capoed on the fourth fret, it can be found on the page before this, seriously,
why
I
it when it is just one backup away from here.

[Verse]

C#m **B** **A** **E**
How do you show someone you love
C#m **B** **E**
That they are the one?
C#m **B** **A** **E**
So many ways to express love
C#m **B** **E**
It s hard to choose just one - how you gonna do it?

[Chorus]

E **A** **B** **C#m**
Some people like to kiss, some people like to hug
E **A** **B7** **E**
Some lesbians like eating each others shit out of a cup
E **A** **B** **C#m**
Some people say I love you, some even shout it out
E **A** **B7** **E**
Some people puke semi-digested shit into each others mouths

[Verse]

C#m **B** **A** **E**
Sometimes making love is not enough
C#m **B** **E**
You have to step it up
C#m **B** **A** **E**
And urinating on her face
C#m **B** **E**
Is not enough to say - I love you

[Chorus]

E **A** **B** **C#m**
Some people like to kiss, some people like to hug
E **A** **B7** **E**
Some lesbians like eating each others shit out of a cup
E **A** **B** **C#m**
Some people say I love you, some even shout it out
E **A** **B7** **E**
Some people puke semi-digested shit into each others mouths
