

## Osama Is Dead

Jon Lajoie

Start out Strumming a C for 2 bars

**C**                      **F**                      **C**  
Osama is dead, Osama is dead

**G**                                      **C**  
We re finally safe from the world s biggest threat

**F**                                      **C**  
Osama is dead, we re finally free

**G**                                      **C**  
Now that he s gone we can all live in peace

**F**                                      **C**  
Osama is dead, have you heard the news?

**G**                                      **C**  
No more reason for you to sing the blues

**F**                                      **C**  
Osama is dead, I swear it s the truth

**G**                                      **C**  
In the end the bad guys always lose

**F**                                      **C**  
We finally got the bad guy, we killed the bad guy

**F**                                      **C**  
We finally got the bad guy, we can all sleep safe tonight

**C**(let ring)      **F**                      **C**(strumming both softly)  
Osama is dead, Osama is dead

**G**(let ring)                                      **C**  
We re finally safe from the world s(short pause) biggest threat
