Fm  
Oh well  
honor for all  
of the big and the small  
well the taller they stand  
well the harder they fall

Bbm  
we live for today  
but we die for the next  
with blood in our veins  
and the air in our chest

Fm  
so we step into war  
with our hearts on the line  
the dirt on our boots  
it shakes free over time

E  
The music it fades  
E  
the violin slows  
Am  
the darkness it rises  
Am  
as the sun goes

Fm

Love is a distant aroma at best  
A withering smile that s stuck deep within your vest

Bbm  
At night air it wraps its fingers around,  
Your body it shakes from the now distant sound

Fm  
Of the sound of her voice  
A sweet symphony  
played over and over Until you are free

E  
The music it fades

E  
the violin slows

Am  
darkness it rises

Am  
as the sun goes

Fm  
Can you feel the new day rising

Bbm  
Climbing up the  
East horizon

Fm  
they can t hold us  
now we ll fight through

E E Am Am  
each and everyone will start new

Fm  
well we shall not stumble  
no we shall not fall  
we shall not crumble  
no we shall stand tall

Bbm  
with death it will come as sure as the night  
but we will not run  
no we live but to fight

Fm  
with blood on our hands and dirt on our knee s  
we ll tear at the one who brought the disease
