

## Life Looks Better In Spring

Jon Lilygreen

It is basically the same chords as in the other tab but this is for newbies.  
The song is really awesome and should have won the Eurovision Song Contest.

Standard Tuning

Intro: C C C C | C C | Am7 | F G

C

Time changes everything,

F

Even you and I have changed,

Dm7

Dm

The rain the winters bring

G

Has made us fade away.

C

I still remember everything -

F

That old December, the fears, the cold.

Dm7

Dm

I really wonder how you feel

G

On these nights, so alone.

Bridge:

Am

I hope someday you ll see me,

F

G

I hope someday you ll spot me in the crowd,

Take my hand and kiss me,

E

C

I hope someday you ll say my name out loud.

Chorus:

C

G

Tell me, tell me about your feelings,

Am

Tell me about your stories,

F

Look into my eyes and come on closer,

G

C

Make me immortal with a kiss.

G

Tell me, tell me about your feelings,

**Am**

Tell me about your stories,

**F**

We know it's over, so tell me it's over

**G**

**C**

And life will be better in spring.

Instrumental: **C C C G | C | Am7 | F G | C**

Time changes everything,

But this feeling it still remains,

The sweetest ever lips I kissed

**G**

Will always be the same.

Bridge:

I hope someday you'll see me,

I hope someday you'll spot me in the crowd,

Smile and say you miss me,

I hope someday you'll say my name out loud.

Chorus:

Tell me, tell me about your feelings,

Tell me about your stories,

Look into my eyes and come on closer,

Make me immortal with a kiss.

Tell me, tell me about your feelings,

Tell me about your stories,

We know it's over, so tell me it's over

And life will be better in spring.

Tell me, tell me about your feelings,

Tell me about your stories,

Look into my eyes and come on closer,

Make me immortal with a kiss.

Tell me, tell me about your feelings,

Tell me about your stories,

We know it's over, so tell me it's over

**G**

**C**

And life will be better in spring.
