

For You From Me
Jon McLaughlin

D#

Unexpected understatement of the year
And thatâ€™s for sure

Dm

Whoâ€™d have thought that

Dm7 A#

Iâ€™d be standing at your door

D#maj7

Itâ€™s

A#

just the

Dm

way you say my name that

A#

throws me

Ddim

And all the windows of my

G#

past are

D#

closing

A#

And everything that you see

Is for you

Fm

from me,

D#

Iâ€™d give it away so easily

F

Never stopped to look

Gm

at whatâ€™s

A#

behind

For you from

D#
me and everything

F
we want

A#
will

be

Holdin' us

Dm
together tonight, tonight
Unexpected

I'm not

F
used to

A#
chasin'

dreams
And catchin' them

Dm
All of a sudden

I'm

F
a winner in the

D#
end

Gm

I'm

D#
used to

A#
every door I open closing

Always makin'

Ddim
sure

G#
I'm not supposing

I
D#
can't

A#

believe how real they here

For

G#

you from me,

D#

Iâ€™d give it away so easily

F

Never stopped to

Gm

look at whatâ€™s

A#

behind

For you from

D#

me and

F

everything we want

A#

will

be

Holdinâ€™ us

Dm

together

tonight

Gm

Dm

We will never

F

fall

Weâ€™ll defy the laws of

Dm

this

love

Gm

Rulers of

Dm

our

own

And

F

thatâ€™s the way

Cm

I

feel

Gm

Stupid but for real

Dm

All that I

F

Am

Is for

Cm

you from me,

F

Iâ€™d give it away so easily

Never

D#maj7

stopped to

look at

Gm

whatâ€™s

you

from me and everything

For you
