

Up All Night

Jon Pardi

(NO CAPO)

[Intro]

A E D

[Verse 1]

A

Yeah girl, I just had me,

E

One hell of a work week.

D

It s been driving me crazy,

Not enough of you baby.

A

And I been a thinkin ,

E

Bout breakin in the weekend

D

Not doin any sleepin

So get in, let s take a ride

[Chorus]

A

And baby let s go, take a dirt road

E

Kick it back, find a good song on the radio,

D

Til we get lost in a sunset falling

A

Lay a blanket by the creek

E

Where the moon peeks over that sycamore tree

D

There won t be anyone watching

No one watching

D

C#

Now there ain t nothing wrong, baby, you and I

D

Gettin down to some up all night

[Verse 2]

A

Now don t forget your flip-flops

E

We can stop by the quick stop

D

Get some jerky and a twelve pack

No tellin when we ll be back

A

I got a cooler in the truck bed

E

I couple towels when we get wet

D

Cause you know we re gonna jump in

And take a little midnight swim

[Chorus]

A

So baby let s go, take a dirt road

E

Kick it back, find a good song on the radio,

D

Til we get lost in a sunset falling

A

Lay a blanket by the creek

E

Where the moon peeks over that sycamore tree

D

There won t be anyone watching

No one watching

C#

Now there ain t nothing wrong, baby, you and I

D

Gettin down to some up all night

[Instrumental]

A E D D

[Bridge]

E

D

Come Monday, I ll be back to workin and savin

E

D

But until then, yeah

[Chorus]

A

Baby let s go, take a dirt road

E

Kick it back, find a good song on the radio,

D

Til we get lost in a sunset falling

A

Lay a blanket by the creek

E

Where the moon peeks over that sycamore tree

D

There won t be anyone watching

No one watching

C#

Now there ain t nothing wrong, baby, you and I

D

Gettin down to some up all night

A

E

Yeah, me and you

D

Up all night, yeah.

[Outro]

A E D D A
