

Break The Silence

Jon Peter Lewis

If I could make my silence understood

We could be on the brink of something good

So I ll pretend to question what I already know

Try and believe you ll miss me if I go

And I feel like I should

Sometimes I think I could

I wanna close the window; I can scream out loud

To all the wrong things that I m saying now

Cause I feel like I should

Cause you wish I would

But if I say I love you and if I lay it out

What if you say you love me to see how it sounds

But if you still can hear me what would it prove?

Just to break the silence I m holding on to

Hooooooooooooooooold

ooooooooooooooooold
