

Fall Down On Me
Jon Pousette-Dart

B **E**
Fall, fall on me
B **E**
if you re gonna fall fall on me
B **E**
and if you re go in down hold on to me

A **B**
I can see the sorrow in you re eyes
A **B**
I can feel you re heart wondering why

B **E**
if you re gonna fall fall on me
B **E**
and if you re go in down hold on to me

A **B**
Now you feel you ve lost all reason
A **B**
can t face another day
A **B**
when it s despair it s just a season
A **B**
that comes and goes away

B **E**
if you re gonna fall fall on me
B **E**
and if you re go in down hold on to me

interlude

B **E**
And if you re go in down hold on to me
A **B**
when you got a soul that shines on
A **B**
so much love can t help but turn mine on,

B **E**
If you re gonna fall, fall on me
B **E**

and if you re go in down hold on to me

B **E**

Fall, fall on me
