So when I go don t dig no hole

**E**

That s just a waste of time you know

**D**

**A**

Just leave me here out here in the woods

**A**

Where the nature is and will do its biz

**E**

Back to the earth where the wild ones are

**D**

**A**

And leave me there leave me there for good

[Chorus]

**A**

**E**

Leave me there and it ll run it s course

**A**

**E**

Cause our mother nature is a powerful force

**A**

Cause our mother nature is a powerful force
