She likes to talk about love, talk about joy
Bout the pain and the stain of that stupid boy
The one who broke her heart in two but she says maybe three times
will be the charm and then he ll rescue me

C G Am F

Every body s got words and they re all just the same
but we use and abuse em in different ways
ya we talked about the future and where we d be
now he s not here so sing with me
she says rescue me if you re out there
Do you love me do you need me do you want me
am I pretty can t you see that I m just trying to find someone who ll rescue me

C G Am F

Football kid, talk of the town
till his dad went away and then he just broke down
now he s a skinny jean nicotine broken shell
hey dad look at me I ve gone all to hell
rescue me if you re out there, rescue me if you re out there
Do you love me do you need me do you want me
I m so lonely can t you see that I m just trying to find someone who ll rescue me

rescue me if you re out there, rescue me if you re out there, rescue me if you re out there

C G Am F
Do you love me do you need me do you want me

C G Am F
am I good enough, do I make the cut, feel it in my guts, and I m all messed up

C G Am F
Do you love me do you need me do you want me

Am G F Am G C
rescue me if you re out there, rescue me if you re out there
