This Is It (You Instead Of Me)
The Strangest Day

I got this tab at www.iwillworship.com
It s not my work.

(Verse 1)

Because I m playing for keeps **Am**
This time around, I m in too deep **C**
To think about falling down and giving up again **Em F G**
I want to live each day just like it was my last chance to prove **Am C**
You re all I have and that is all I need **Em F G**

(Chorus)

This is it, it s what we re waiting for **Am F C**
This is it, it s all we re fighting for **C G Am**
I finally get a chance to show the world what you have **Am F C**
done for me **G F**
So let this moment be You instead of me **Am F G Am**

(Verse 2)

Tired and bruise, every broken bone reminds me that **Am C**
I m far from home **Em**
And these scars remind me who I am **F G**
But you re the one, the reason that I run **Am C**
And I won t stop until you re done **Em**
You re the only hope I have **F G**

(Bridge)

Am **Em** **F G**
I ve counted the cost and I know

Am **C** **Em** **F**
Everything that really matters is everything worth fighting for!
