You said if you love me you ll obey me, I ve wondered why
You gave Your life for those around me, so should I
God forbid that I should stand before You
On that day, with unblemished hands

Show yourself to me, so I can show you to them
Give me what it takes to let me go...
There s a world out there that s dyin

[just try to figure out the pattern yourself, everyone has their own way to play

this song]

[For the small solo with the electric guitar, play the intro.]

[For the Outro, it s easy, play the end of the chorus :]
