D
      Gm
                A Bm Gm
      where did it all go wrong for you,
         A
                   D
      Elena, you fell apart
      your kids are alone
             Bm Gm
      they re on their own
           A D
      Elena, you broke their hearts
[Verse]
the lake has dried up
the woods are dead
  G F#m Em
the train station is closing down
  G A
but you can t see it
    D
           G
cause in your head
  G F#m Em
you ve already left this town
[Chorus]
              A Bm
                              Gm
      So where did it all go wrong for you,
          A
                   D

      your kids are alone
            Bm Gm
```

they re on their own D A

Elena, you broke their hearts

```
G A
the lights are glowing
  D G
the powers gone
 G F#m Em
your empathy in love has drowned
  G A
your food is rotten
    D G
your face is (??)
 G F#m Em D
you ve already left this town
[Chorus]
         A Bm Gm
      So where did it all go wrong for you,
      D A D

      they re on their own
      D A D
      Elena, you broke their hearts
[Verse]
But I remember
    G
  D
your golden days
  G F#m Em
the way you showed your guests around
  G A
your humble laughter
    D G
your warming face
  G F#m Em D
you smiled and were new in town
[Chorus]
               A Bm
      So where did it all go wrong for you,
        A D
      Elena, you fell apart
      your kids are alone
