

**Tonight**  
**Jonas Alaska**

Capo 4 bÃnd.

By Christen Hjorth

I guess this is a simplified version of Tonight, however feel free to create an updated version.

**G**  
What have I just done would you tell me  
**C\*** **Em** **Am** **Am/G**  
And lay me down in a summer field

**G**  
âCause there is now just one too many  
**C** **Em** **Am** **Am/G**  
Looks going through my broken shield

**Hm** **C**  
I donât need no icy river for me to skate  
**Em** **G** **C** **D**  
And I donât belong in a California state

**Em** **G**  
Iâm lost for words, all right  
**Em** **G** **Em** **G** **Em**  
**G**  
I donât feel like singing much tonight

**G**  
If sheâll be going home I donât blame her  
**C\*** **Em** **Am** **Am/G**  
âCause she might end up killing me

**G**  
I pushed her and now I canât save her  
**C\*** **Em** **Am** **Am/G**  
I didnât do it willingly

**Hm** **C**

I don't feel like lying down in my own bed

**Em** **G** **Am** **D**

And I don't need no help to translate what she said

**Em** **G**

Just take a left, all right,

**Em** **G** **Em** **G** **Em**

**G**

I got no place to go tonight

**Hm** **C**

Throw it all over me

**Em** **G**

and let me stand at the corner of pride

**Am** **D**

But don't you say I lied

**C**

**Em**

'Cause I did exactly what I had to and nothing more

**G** **Em**

And I won't try to open if you lock your door

**D**

I won't try to open if you lock your door

**G**

Through the smoke and all the fires

**C\*** **Em** **Am** **Am/G**

I can see the bluebells grow

**G**

Far beyond the breaks and the wires

**C\*** **Em** **Am** **Am/G**

Far beyond the dying snow

**Hm** **C**

And I see myself just fishing in a lake

**Em** **G** **Am** **D**

With no screams above how everything's at stake

**Em** **G**

Yeah I'll be fine, all right

**Em** **G** **Em** **G** **Em** **G**

But that's not helping too much tonight
