[Intro]

Bm D F#m A E

[Intro: Liam Payne]

Bm

Let me tell you how it happened

F#m A E

I wasn't looking for someone that night

Bm

No, I was never a believer

F#m A E

That you could fall in love at the first sight

[Pre-Chorus: Liam Payne]

Bm

But all of a sudden

A/C#

(We loved and got lost in the moment)

F#m

All of a sudden

A E

(She's gone in the flash of a light)

Bm D

I never was looking, hmm

F#m A E

I'll be looking for the rest of my life

[Chorus: Liam Payne & Lennon Stella]

Bm

We took a Polaroid

D

You signed your name upon it

F#m

I put it in my wallet

A E Bm

Hoping I'd see your face again

Bm

We took a Polaroid

D

Captured the look in your eyes

F#m

It's only a matter of time

A/C# Bm

Before it starts fading

[Interlude]

Bm D F#m A E

[Verse 2: Lennon Stella]

Was it my imagination?

I could've sworn I saw someone like you

Bm D

A thousand people at the station

F#m A E

And in a second, you slipped out of view

[Pre-Chorus: Liam Payne & Lennon Stella]
