

10 Sorry

Jonas Brothers

Here s My Cover:<http://uk.youtube.com/watch?v=j5k07P1obyw>

Intro - **Dm Bb C A Bb F C**

Verse 1

**Dm** Broken hearts and last goodbyes  
**Bb**  
**C** Restless nights but lullabies  
**A**  
**Bb** Helps make this pain go away  
**G C**  
**Dm** I realize I let you down  
**Bb**  
**C** Told you that I d be around  
**A**  
**Bb** Building up the strength just to say  
**G C**

-----  
Chorus:

**F C**  
I m sorry  
**Dm** For breaking all the promises that I wasn t around to keep. **C Bb F G (Dm C)**  
**F C**  
Its all me  
**Dm** This time is the last time that I will ever beg you to stay. **C Bb F G**  
**Bb** But your already on your way. **C (Dm Bb C A Bb F C)**

-----  
Verse 2:

**Dm** Filled with sorrow, filled with pain  
**Bb**  
**C** Knowing that I am to blame  
**A**  
**Bb** For leaving your heart out in the rain  
**G C**  
**Dm** And I know your gonna walk away  
**Bb**  
**C** And leave me with the price to pay  
**A**  
**Bb** But before you go I wanted to say  
**G C**

Yeah!  
-----

Chorus:

**F** **C**  
That I m sorry  
**Dm** **C** **Bb** **F** **G** (**Dm C**)  
For breaking all the promises that I wasn t around to keep  
**F** **C**  
Its all me  
**Dm** **C** **Bb** **F** **G**  
This time is the last time that I will ever beg you to stay.  
**Bb** **C**  
But you re already on your way.

-----

Bridge:

**Bb** **Dm** **C**  
Can t make it alive on my own  
**Bb**  
But if you have to go, then please girl  
**Dm** **C**  
Just leave me alone.  
**Bb** **Dm** **C**  
Cause I don t want to see you and me going our separate ways.  
**Bb**  
I m begging you to stay  
**Bb**  
If it isn t too late

-----

Chorus:

**F** **C**  
I m sorry  
**Dm** **C** **Bb** **F** **C** (**Dm C**)  
For breaking all the promises that I wasn t around to keep.

-----

**F** **C**  
Its all me  
**Dm** **C** **Bb** **F** **C**  
This time is the last time that I will ever beg you to stay.  
**Bb** **C**  
But your already on your way.  
**Bb** **F**  
But your already on your way...
