Here s the chords! I figured them out by ear, and I am positive that they are 100 correct. The other versions of this song didn t sound right to me, so I figured out what was with them. I think this is how Nick plays it, too.

Capo 2 fret

Intro **G G C G G D** 2x

verses: **G G C G G D**

Chorus:
C G D Em

C G D Em

C G D Em

Am G C C G

That s it! For the rap part just play the intro again! Simple as that! Please rate! :)
