

Fall

Jonas Brothers

This is the simpler way to play it. Feel free to mess around with it, but it's pretty close. Enjoy.

VERSE:

Bm **A**

On the edge

D **G**

Of something real

Bm **A**

I have a choice

D

G

But I don't know what to feel

Bm **A**

Getting tired

Bm **G**

Of all this fear

Bm **A** **G**

Before I choose, let me know that you'll be here

A

Let me know that you'll be here

CHORUS:

D

A

Cause I'm, I'm not afraid to fall

G

If you're the one who catches me

Bm **A**

D

Tell me that you'll be there when I'm

A

G

About to lose it all, cause you're the one who helps me see

Bm **A** **D**

Sometimes it's okay to fall
