

Lovebug

Jonas Brothers

This could work on guitar, I wrote it for ukulele.  
Just play around with the chords, you ll get it.

Shine On Media rocks for putting this video up!  
I think these are the right lyrics but I could be wrong.

Tab by: Dorothy

[Verse 1]

**A G D D**

Called her for the first time yesterday

**A G D D**

Finally found the missing part of me

**A G D D**

Felt so close but you were far away

**A G D D**

Left me without anything to say

[Chorus]

**G D**

Now I m speechless, over the edge, I m just breathless

**A F G**

I never thought that I d catch this love bug again

**G D**

Hopeless, head over heels in the moment

**A F G**

I never thought that I d get bit by this love bug again

[Verse 2]

**A G D D**

I can t get your smile out of my mind

[couldn t get you out of my mind]

**A G D D**

Thinking about your eyes all the time

**A G D D**

You re beautiful but you don t even try

(don t even, don t even try)

**A G D D**

This thing is just so hard to find

[Chorus]

**G D**

Now I m speechless, over the edge, I m just breathless

**A F G**

I never thought that I d catch this love bug again

**G D**

Hopeless, head over heels in the moment

**A F G**

I never thought that I d get bit by this love bug again

[Verse 3]

**A G D D**

Kissed her for the first time yesterday

**A G D D**

Everything I wished that it would be

**A G D D**

Suddenly you re full of honesty

**A G D D**

Hopeless, now baby can t you see?

[Chorus]

**G D**

Now I m speechless, over the edge, I m just breathless

**A F G**

I never thought that I d catch this love bug again

**G D**

Hopeless, head over heels in the moment

**A F G**

I never thought that I d get bit by this love bug again
