Out Of This World

Intro: **E G#m C#m Bsus2 A E A Bsus2**

E G#m A
It was cloudy on that night
Bsus2 E
There were no stars in sight
G#m A
Then the planets all aligned
Bsus2 C#m
When I saw her eyes
Bsus2
One look thats all it took
F#m F# A Bsus2
To send me to another galaxy

Chorus

She said
E G#m C#m
She was on her way to mars
Bsus2 A
When she ran into a star
E A
And she fell into my arms
Bsus2
Thank you gravity
E G#m C#m
Never let her go
Bsus2 A
I ll hide her UFO
E A
She ll never have to know
G#m C#m Bsus2
She s my space girl
A E
And she s out of this world

E

E G#m A
We were watching star wars
Bsus2 E

She looked kinda bored

G#m A

Said she d seen it all before

Bsus2 C#m

Made me wonder even more

Which universe was hers

Bsus2 F#m-F#

What galaxy did she call home

A Bsus2

(Yeaaaaah)

Chorus

She said

E G#m C#m

She was on her way to mars

Bsus2 A

When she ran into a star

E A

And she fell into my arms

Bsus2

Thank you gravity

E G#m C#m

Never let her go

Bsus2 A

I ll hide her UFO

E A

She ll never have to know

G#m C#m Bsus2

She s my space girl

A E

And she s out of this world
