Play My Music
Jonas Brothers

I d say this song is about 95% correct. I just did this by ear.

Intro:
Dx14

(music)
Verse 1:
D
Let s turn on that radio
C#
As loud as it can go
Bm   **A**
Wanna dance till my feet can t feel the ground(feel the ground)
D
Say goodbye to all my fears
C#
One good song they disappear
Bm   **A**
And nothing in the world can bring me down
Pre-Chorus:
G
Hand clappin
D
Hip shakin
A
Heart breakin theres no fakin
G
What you feel when you re riding home yeah
Chorus:
 D   **C#**   **Bm**
Music s in my soul
A   **E**
I can hear it everyday and every night
G   BbBb   **BB**
It s the one thing on my mind
D   **C#**   **Bm**
Music s got control
          A   **E**
And I m never letting go no no
G   **Bb Bb**   **BB**
I just wanna play my music

 Verse 2:
 D
 Got my six string on my back
                 C#
 Don t need anything but that

```
Bm                                          A
Everything I want is here with me
D
So forget that fancy car
         C#
I don t need to go that far
          Bm                              A
What s driving me is following my dreams yeah
 Pre-Chorus
G
Hand clappin
D
Earth shakin
A
Heart breakin theres no fakin
G
What you feel when you re on a roll yeah, yeah
Chorus:
D        C#      Bm
Music s in my soul
A                E
I can hear it everyday and every night
G                      BbBb    BB
It s the one thing on my mind
D        C#      Bm
Music s got control
A                        E
And I m never letting go no, no
G
I just wanna play my music
 Bb
I just wanna play my music
 Bridge:
Bm                              D
   Can t imagine what it d be like
             G
Without the sound of my heroes
        E
 Singing all my favorite songs
      G
 So I can sing along
 repeat chorus with 1 strum softly each chord
 repeat again normally

 End on D ringing
```
