    E5   **C5**
Run, run like you do
           A5
I m chasing you
                 D5
I m on your tail I m gaining faster
      E5
You re going no where
E5   **C5**
Try to fix what you ve done
          A5
Turn back the time

The night is calling
 D5   **E5**
And we re falling faster now

C5   **G5**
Pushing me away
D5
Every last word
     E5   **D5**   **C5**
Every single thing you say
       G5
Pushing me away
D5   **E5**   **D5**   **C5**
Try to stop now but it s already too late
       G5
Pushing me away
     D5   **E5**   **D5**   **C5**
If you really don t care to say it to my face
      C5
Pushing me away
D5
Push push pushing me away

```
Stop
E5            C5
Tell me the truth
                A5
Cause im so confused
                     D5
Standing around these walls are
          E5               E5
Falling down and I need you
            C5
More than you know
            A5
Not letting go
            D5
Getting closer take my hand
     E5
And please just tell me why

(CHORUS)

E5          C5
   Push push pushing me away
E5          C5
   Push push pushing me away
E5          C5
   Push push pushing me away
E5          C5
   Push push pushing me away
E5          C5
   Push push pushing me away
E5          C5
   Push push pushing me away
E5          C5
   Push push pushing me away

(CHORUS)

C5          G5           D5 E5 D5
   Pushing me away
C5 G5 D5 E5 D5
D5(let it ring)

Hope this helps!
