(Lyric and music by Frank Dukes, Joe Jonas, Kevin Jonas, Louis Bell, Nick Jonas, Ryan Tedder)

DO#m MI SI
We go together

DO#m MI SI SOL#
Better than birds of a feather, you and me

DO#m MI SI
We change the weather... yeah

DO#m
I m feeling heat in December

MI SI
when you re round me.

DO#m MI SI
I ve been dancing on top of cars and stumbling out of bars

DO#m MI
I follow you through the dark,

SI SOL# SI
can t get enough

DO#m MI SI
You re the medicine in the pain, the tattoo inside my brain

DO#m MI SI
And, baby, you know it s obvious.

DO#m FA#m SI
I m a sucker for you

MI
You say the word

LA SOL#
and I ll go anywhere blindly

DO#m FA#m SI
I m a sucker for you... yeah

MI LA
Any road you take you know

SOL#
that you ll find me

DO#m FA#m SI
I am a sucker for all the subliminal things

MI LA
No one knows about you (About you),

SOL#
bout you (About you)

DO#m FA#m SI
 And you re making the typical me
 MI LA SOL#
 Break my typical rules It s true
 DO#m MI SI
 I m a sucker for you... yeah.

DO#m MI SI
 Don t complicate it... yeah . Cause I know you
