

Year 3000

Jonas Brothers

Yo, this is my first submission. It sounds pretty good. Not spot on but good enough for beginner players.

Verse 1

G **D** **C**
One day when I came home at lunchtime
C **D**
I heard a funny noise
G **D** **C**
Went out to the back yard to find out if it was,
C **D**
One of those rowdy boys
G **D** **C**
Stood there with my neighbor called Peter
C **D**
And a Flux Capacitor

PreChorus

G **D**
He told me he built a time machine
C
Like the one in a film Iâ€™ve seen,
D
Yeah...

Chorus

G **D** **C** **D**
He said I ve been to the year three thousand
D **G** **D** **C** **D**
Not much has changed but they lived under water,
D **G** **D** **C** **D**
And your great, great, great grand daughter,
D **G** **D** **C**
Is doing fine (doing fine)

G **D** **C** **C** **D**
He took me to the future in the flux thing and I saw everything,
G **D** **C** **C** **D**
Boy bands and another one and another one... and another one!
G **D** **C**
Girl s there, with brown hair, like Star wars
C **D**
And float above the floor
G **D**

We drove round in a time machine,

Like the one in the film Iâ€™ve seen..
