

Hush

Jonas David

C **Em**
I see every smile you fake
Am
Watching me
G
Know who I am
C **Em**
But I am the one that you`ll regret
Am **G**
Every start feels like an end

C **Em**
Hush Hush my love
Am
You will find it
G
You will find it
C **Em**
Hush Hush my love
Am
The moon will fight it
G
And I m beside this

C **Em**
I face every storm you send
Am **G**
On your dark side shivers end
C **Em**
But Im the one that wont repent
Am **G**
Every try is empty handed

C **Em**
Hush Hush my love
Am
You will find it
G
You will find it
C **Em**
Hush Hush my love
Am
The moon will fight it
G

And I m beside this
