

Summer Rain
Jonas

This is my first guitar chord tab so let me know if its okay!

intro: **D,D7,BM,G**

D7 Bm
 it s time for something it s time for change it s time to get things re
 G
 arranged oh yeah
 D D7 Bm
 the summer heat has been getting me and last summers love
 G
 is gone, gone, gone
 A D G A
 i ve been saving my love for a rainy day and it s really comin down today
 G A D
 Then out of the blue you came you shine a little light on a clouded day
 G A D G A
 Baby you could make a broken heart go away i m not gonna lie this feeling
 Bm A G A D, D7, Bm, G
 inside i can t explain i m gonna blame it on the summer rain

NEXT few verses go the same way Thanks for looking at my chords!
