Hello Goodbye  
Jonathan Clay

**A**

I m afraid I cannot lie.

**Amaj7**

**F#m/E**

**Dsus2**

She didn t even try and I was blown away.

**A**

I can t help my attraction,

**Amaj7**

It s a chemical reaction and

**F#m/E**

**Dsus2**

It s here to stay.

**A**

Love is something that you need,

**Amaj7**

It s just like water to the trees

**F#m/E**

**Dsus2**

Only want it more and more.

**A**

And in a sick society it s like

**Amaj7**

A healing melody

**F#m/E**

**Dsus2**

But now she s out the door.

Chorus:

**A Amaj7 Dsus2 E**

Hello goodbye is all she said,

**A Amaj7 Dsus2 E**

But she won t seem to leave my head.

**A Amaj7 Dsus2 E A AM7 Dsus2 E**

I m so tired of the, so tired of the rainy days,

**A Amaj7 Dsus2 E**

I m so tired of the rainy days.

**A**

For a second it was there,

**Amaj7**

I sat down in my chair and

**F#m/E**

**Dsus2**

Tried to figure out.

**A**

Something clever I could say

**Amaj7**

About the weather, how s your day,

**F#m/E**

**Dsus2**

What s your book about?

**A**

I ve got nothing left to lose.

**Amaj7**

Why do I always seem to choose to

**F#m/E**

**Dsus2**

Let it pass me by, all by.

**A**

I just go on with the day,

**Amaj7**

I ve got so much I want to say.

**F#m/E**

**Dsus2**

And I m just asking why.
