Get as much as you want

And we ll find someplace to keep it

I would love to stop at the candle store

And you know I ll find room for your shit because

I also am alone at home
I m alone at home

No I don t want you to make it up to me
I just don t want anyone to see the way we are
when we re this way
Can we just not make this a thing?

We can swing by your parents on the way

We haven t seen them at all since yesterday

We can talk about plans

For your cousin s birthday party
We can swing by your parents on the way

And you know I ll pretend to be nice because

I also am alone at home

I m alone at home

I m alone at home
