[Verse 1]

**F**  
On the day she finally left me  
**C7** **F**  
She left one thing behind  
**F**  
Just a small box on the table  
**C7** **F**  
That she wanted me to find  
**Bb** **F**  
There was something bad inside it  
**Bb** **A**  
It was something that I should have left alone

[Chorus]

**D** **Em7** **Gmaj7/F#**  
Now everything is standing still  
**G** **D** **Bm** **A** **Asus4** **A**  
It was only my head that made it revolve  
**D** **Em7** **Gmaj7/F#**  
Everything was fine until  
**G** **Bbmaj7** **C** **F**  
it was awful instead now watch me dissolve

[Verse 2]

**F**  
It was mine now, something secret  
**C7** **F**  
Something precious and rare  
**F**

And then it changed me, and I liked it

**C7 F**

Now I wish it wasn't there

**Bb F**

Would you cancel my appointments

**Bb A**

Pretty sure I won't be coming in today

[Chorus]

**D Em7 Gmaj7/F#**

cause everything is standing still

**G D Bm A Asus4 A**

It was only my head that made it revolve

**D Em7 Gmaj7/F#**

Everything was fine until

**G Bbmaj7 C F**

it was awful instead now watch me dissolve

**D Em7 Gmaj7/F#**

[Verse 3]

**F**

It's too late to say I'm sorry

**C7 F**

Anyway it's not true

**F**

There's a small box on the table

**C7 F**

And I left it there for you

**Bb F**

And I really hope you like it

**Bb A**

If you need me I'll be anywhere but here

[Chorus]

**D Em7 Gmaj7/F#**

cause everything is standing still

**G D Bm A Asus4 A**

It was only my head that made it revolve

**D Em7 Gmaj7/F#**

Everything was fine until

**G Bbmaj7 C F**

it was awful instead now watch me dissolve
