-----  
I FEEL FANTASTIC - Jonathan Coulton  
-----

Intro: [A]

[A] [E]  
I get up early when the sleeping pill wakes me  
[Bm] [D]  
I take a wake up pill and fill with energy  
I power on hard and I check my messages  
But I don t have any messages  
I take a driving pill and head to my car  
I drive around a bit cuz work isn t very far  
I call my phone and I check my messages  
But I don t have any messages

[E] [G] [D] [A]  
All I know is driving on drugs feels better when they re prescription  
[E] [G] [D] [E][Esus4][E]  
All I know is the world looks beautiful, the world looks so damn beautiful

Chorus:

[N.C.] [A]  
And I feel fantastic  
[D] [E] [A]  
And I never felt as good as how I do right now  
[D] [E] [C#m] [F#m]  
Except for maybe when I think of how I felt that day  
[D] [Dm] [A]  
When I felt the way that I do right now.  
And I feel fantastic  
And I never felt as good as how I do right now  
Except for maybe when I think of how I felt that day  
When I felt the way that I do right now, right now, right now.

[A] [E]  
Work is anything but quiet these days  
[Bm] [D]  
I try to medicate my concentration haze  
I can feel the day unfold in front of me  
So I take the stairs and hit the gym  
The phone is ringing when I get to my desk  
What was a stinging s now a sharp pain in my chest  
So I take a Calminex and just chill  
And then it s time for lunch again

[E] [G] [D] [A]  
All I know is work is easy when you don t stress out about deadlines  
[E] [G] [D] [E][Esus4][E]  
All I know is I take my medicine I always take my medicine

Chorus

[B] [Em/C#] (x42000) [B]  
Sometimes I d like to slow things down  
[Em/C#] [B]  
Enjoy the moment  
[Em/C#] [B] [Em/C#]  
But when I look the moment s gone

Same as intro: [A]

[A] [E]  
Work is over but I can t stay to work late  
[Em] [D]  
Got to leave and get ready for my second date  
With a pretty girl that I met at the pharmacy  
Right in the prescription line  
I take a pill for my social anxiety  
I get a table and a nice bottle of chablis  
Now it s getting late and there s still no sign of her  
I have another glass of wine

[E] [G] [D] [A]  
All I know is the wine lasts longer when you don t gotta share it with someone  
[E] [G] [D] [E][Esus4][E]  
All I know is my steak tastes better when I take my steak-taste-better pill

Chorus
