Welcome to my secret lair on Skullcrusher Mountain

I hope that you've enjoyed your stay so far

**E7**

I see you met my assistant Scarface

but I assure you he's harmless enough

**A** **E**

He's a sweetheart, calls me Master

**A** **B7** **A** **B7**

And he has a way of finding pretty things

and bringing them to me

Chorus

I'm so into you

**Bm**

But I'm way too smart for you

**A**

Even my henchmen think I'm crazy

**Am**

I'm not surprised that you agree

**E**

If you could find some way to be

**Bm**

A little bit less afraid of me

**A**

You d see the voices that control me

**Am**

from inside my head

**D7**

**E**

**Esus4**

Say I shouldn t kill you....yet

You like monkeys, you like ponies

Maybe I used too many monkeys

**A**

While up above the waves my doomsday squad

And all the fools who lead their foolish lives

**G#m**

**Esus4**

**E**

**Esus4**

You know it isn't easy living here on Skullcrusher Mountain

**E**

**Esus4**

So maybe you could cut me just a little slack

**E7**

Would it kill you to be civil?

**A**

**E**

I've been patient, I've been gracious

**A**

**B7**

And this mountain is covered with wolves

**A**

**E**

Hear them howling, my hungry children

**A**

**B7**

**A**

**B7**

Maybe you should stay and have another drink

**A**

**B7**

and think about me and you
