A   **Dm/A**
I m right here
A
And I heard everything you said
          Dm/A   A
Those things
                        D
To try to get inside my head

Is full
    Bm   **A**
Now there s no room in here
       Dm/A A
For you

You can t teach me the lesson
A   **Dm/A A**
Now I know
I don t need you to tell me
D   **Bm**   **E**
How it s done cause I know how it s done

Chorus
            D   **E**
See all the accolades, sitting up on my shelf
      D   **Bm**
I m the man now, sticking it to myself
              Bm7b5
Sticking it to myself

Sticking it to my-

Verse 2
A   **Dm/A   A**
Self-control

```
                            A
That s not the only thing I lack
      Dm/A  A
A plan

Just my own gun against my
D                     Bm
Back down now and let this hostage
A        Dm/A  A
Go away

I m trying to figure something

A             Dm/A  A
Makes me feel
                      D
Like I d do anything it takes to be
  Bm             E
A fucking winner now

Chorus
          D                         E
See all the accolades, sitting up on my shelf
      D                         Bm
I m the man now, I m sticking it to myself
              Bm7b5
Sticking it to myself
              A
Sticking it to myself

Bridge
A (palm-muted)
You don t seem interested in what I just said
If you re not listening then don t nod your head

Bm
I thought so
      Bm7b5
That s what I thought that

Verse 3
A           Dm/A  A
Someday soon

This job is going to kill me
A         Dm/A  A
Dead inside
                      D
Unless I kill it first instead
            Bm             E
and when they come for me I m gone

Chorus
```

```
              D                                      E
There s just the accolades, sitting up on my shelf
         D                              Bm
I m the man now, I m sticking it to myself
                 Bm7b5
Sticking it to myself
                 A     Dm/A  A
Sticking it to myself
