I wanna go there and be with you

Moses went and saw your face

**Abm Eb**

I wanna go there and be with you

(chorus)

**Eb** / / **Bb/D** / / | **Cm** / / / / |

Take me home

**Ab** / / **Bb** / / | **Eb** / / / / |

To the place where I belong

**Eb** / / **Bb/D** / / | **Cm** / / / / |

There's nothing that I want more

**Ab** / / **Bb** / / | **Eb** / / / / |

Than the presence of the Lord

(verse 2)

I heard about an upper Room

Where tongues of fire fall on you

I wanna go there and be with you

I heard about a garden where

You and man walk hand in hand

I wanna go there and be with you
