Feel free to modify this.. flows nicely

[G] Don t tell me about your [Bm] fame  
[C] And your treasures by their [G] names  
[G] I must tell you from the [Bm] start  
Of the [C] pleasure in my [G] heart

I have been [G] calling to the ocean  
From a [C] cold and windy [G] shore  
But I [Am] never, no I [Cm] never  
heard it [Bm] calling Carolina [G] before

[G] I heard the ocean calling your [Am7] name  
[D] Carolina [Cm] Caroline  
[G] I never will be the [Am7] same  
[D] Carolina [Cm] Caroline

[G] Don t tell me about your [Bm] home  
And your [C] silver brush and [G] comb  
[G] I must take you by your [Bm] hand  
And [C] show to you this [G] land

But this old [G] wagon, she s no carriage  
With her [C] six golden horses in [G] hand  
But we can [Am] listen, we can [Cm] listen  
To [Bm] Caroline upon the [G] sand

[G] I heard the ocean calling your [Am7] name  
[D] Carolina [Cm] Caroline  
[G] I never will be the [Am7] same  
[D] Carolina [Cm] Caroline

But this old [G] wagon, she s no carriage  
With her [C] six golden horses in [G] hand  
But we can [Am] listen, we can [Cm] listen  
To [Bm] Caroline upon the [G] sand

[G] I heard the ocean calling your [Am7] name  
[D] Carolina [Cm] Caroline  
I [G] never will be the [Am7] same  
[D] Carolina [Cm] Caroline  
[D] Carolina [Cm] Caroline.
