**F** **Bb C**  
Well if you ve been to cities but you ve had enough  
**F Bb C**  
Have you been to Paris, France?

The home of Piaf and Chevalier  
**Dm Bb C**  
Must have done something right to get passion this way  
**F Bb C**  
If you don t think Paris was made for love  
**Bb F**  
Give Paris one more chance

**F Bb C**  
Well now I m calling it arrogant, calling it cruel  
**F Bb C**  
(Give Paris one more chance)  
**F Bb C**  
And also trop civilisÃ“ et mon dieu, c est trop cool  
**F Bb C**  
(Give Paris one more chance)  
**Dm Bb**  
But if you don t think Paris was made for love  
**Dm Bb C**  
Maybe your heart needs a telegram from up above  
**F Bb C**  
If you don t think Paris was made for love  
**Bb F**  
Well give Paris one more chance

**F Bb C**  
Well now there s some things I don t like and some things I do  
**F Bb C**  
But give Paris one more chance  
**F Bb C**  
I can see why Paris would be ugly for you  
**F Bb C**  
But give Paris one more chance  
**Dm Bb**  
The home of Piaf and Trenet too

If you don t think Paris was made for love

**Bb F**

(Give Paris one more chance)

**F Bb C**

And on the steps of Montmartre they harmonise

**F Bb C**

(Give Paris one more chance)

**Dm Bb**

Because if you don t think Paris was made for love

**Dm Bb C**

Maybe your heart needs a telegram from up above

**F Bb C**
