

**Unfailing Love**  
**Jonathan Stockstill**

**E**                    **A**  
I see you hanging there

**E**                    **A**  
I see Your nail pierced hands

**E**                    **A**                    **B**  
For me; You paid the price for me

**E**                    **A**  
I see Your wounded side

**E**                    **A**  
I hear your lonely cries

**E**                    **A**                    **B**  
For me; You paid the price for me

**E A**                    **B**  
It was unfailing love

**E**                    **A**                    **B**  
Grace by your blood

**C#m**                    **A**  
Come and Pour over me

**B**                    **E**  
Till all I see

**A**                    **B**                    **E**                    **A E A**  
Is your unfailing love

**E**                    **A**  
I see the crown of thorns

**E**                    **A**  
I hear them laugh and scorn

**E**                    **A**                    **B**  
For me; You paid the price for me

**E**                    **A**  
I see the Father's eyes

**E**                    **A**  
Turn from His bleeding Son

**E**                    **A**                    **B**  
For me; You paid the price for me
