[Verse]

A ghost of aviation

She was swallowed by the sky

Or by the sea like me she had a dream to fly

Like Icarus ascending

On beautiful foolish arms

Amelia it was just a false alarm

Maybe I ve never really loved

I guess that is the truth

I ve spent my whole life in clouds at icy altitude

And looking down on everything

I crashed into his arms

Amelia it was just a false alarm

I pulled into the Cactus Tree Motel

To shower off the dust

And I slept on the strange pillows of my wanderlust

I dreamed of 747s

Over geometric farms

Dreams Amelia - dreams and false alarms
