Here s the way I play The Drinking Song by Moxy Fruvous (from their album Bargainville).

CHORD:

G **D** **G** **D** **C** **D7**
And the band played on as the helicopter whirred
 C **G** **D** **G**
Drunk on the lawn in a nuclear dawn
 G **D** **G**
My senses finally blurred.

VERSE:

G **C** **G**
He was a rock to the end a solid reminder
 C **D7**
Couldn t deny a friend
 G **C** **G**
We lived in the noise and the sweet amber poison
 D **C** **D7**
Peekin up the skirt of the end
 G **C** **G** -----+
And we d drink two gnarly dudes and some records |
 C **D7** | (the chords for
Much like plates of black food | this half just
 G **C** **G** | repeat those
We filled up our faces, saw some far places | of the first
 D **C** **D7** | half)
Stood on the roof in the nude. |
 -----+

CHORUS

the rest of the verses just repeat that pattern:

G C G C D7 G C G D C D7

BRIDGE:

G **D** **G**
Irene good night...

=====have fun!=====
