A(2)	G6+9		A(2)
I	awoke today and found the frost perched on the town		
A(2)	A	G6+9	A(2)
It	hovered in a frozen sky and it gobbled summer down		
D	C		
When	the sun turns traitor cold		
D	C	E	E5addD/B
And	all the trees are shivering in a naked row		
A	G	A(2)	
I	get the urge for going but I never seem to go		

CHORUS #1:

G	D	A	G	D	A
And	I get the urge for going, when the meadow grass is turning brown				
G	D	A	A	G	A
Summertime	is falling down and winter s closing in				

I had a me a man in summertime, he had summer colored skin
And not another girl in town that darling s heart could win
But when the leaves fell on the ground
And bully winds come around and pushed them face down in the snow
He got the urge for goin , and I had to let him go ...CHORUS

CHORUS #2:

He got the urge for going when the meadow grass was turning brown

And summertime was falling down and winter was closing in

Now the warriors of winter they give a cold triumphant shout
All that stays is dying, all that lives is getting out
See the geese in chevron flight
Flapping and a-racin on before the snow
They got the urge for going and they ve got the wings so they can go

CHORUS #3:

They get the urge for going when the meadow grass is turning brown
Summertime is falling down and winter s closing in ...REPEAT INTRO

I ll ply the fire with kindling, I ll pull the blankets to my chin
I ll lock the vagrant winter out and I ll bolt my wandering in
I d like to call back summertime
And have her stay for just another month or so
But she s got the urge for going so I guess she ll have to go

CHORUS #4:

She s gets the urge for going when the meadow grass is turning brown
And all her empire s falling down and winter s closing in
And I get the urge for going when the meadow grass is turning brown
And summertime is falling down ...REPEAT INTRO
