

Willy

Joni Mitchell

I was frustrated by the chords I found online for this song and decided to tab my own. This sounds quite nice to me. :) I hope you like it too.

C **F** **G**
Willy is my child, he is my father
C **Am** **F**
I would be his lady all my life
 Em **Am**
He says heâ€™d love to live with me
 C **Am7**
But for an ancient injury
 G/B **Dm**
That has not healed
 G
He said I feel once again
 F **Am**
Like I gave my heart too soon
 Em
He stood looking thru the lace
 F **Am**
At the face on the conquered moon
 F **Dm**
And counting all the cars up the hill
 Am **G**
And the stars on my window sill
 C **F**
There are still more reasons why
C
I love him

Willy is my joy, he is my sorrow
Now he wants to run away and hide
He says our love cannot be real
He cannot hear the chapelâ€™s peeling silver bells
But you know itâ€™s hard to tell
When youâ€™re in the spell if itâ€™s wrong or if itâ€™s real
But youâ€™re bound to lose
If you let the blues get you scared to feel
And I feel like Iâ€™m just being born
Like a shiny light breaking in a storm
There are so many reasons why
I love him

Willy is my child, he is my father
