

**Em**

So can I walk beside you?

**D**

**Dsus**

I've come here to lose the smog,

**D**

**Dsus**

**Em**

I feel to be a cog in something turning.

**Em**

Maybe it's just the time of year,

**D**

**Dsus**

Maybe it's the time of man.

**D**

**Dsus**

**Em**

I don't know who I am, but life is for learning.

[Chorus]

**Em Cadd9 A7sus4/E Gmaj Cmaj7/E**

We are stardust, we are golden,

**Em**

**Dsus D Asus4/E G Em**

And we got to get ourselves back to the ga---aa--aa-----ar-den.

[Verse 3]

**Em**

By the time we got to Woodstock,

**D**

**Dsus**

We were half a million strong

**D**

**Dsus**

**Em**

And Everywhere there was song and celebration.

And I dreamed I saw the bombers

**D**

**Dsus**

Riding shotgun in the sky,

**D**

**Dsus**

Turning into butterflies

**Em**

Above our nation.

[Chorus]

**Em Cadd9 A7sus4/E Em**

We are stardust, billion year old carbon,

**Gmaj Cmaj7/E**

we are golden

**Em**

Caught in a devils bargain

**Em Cadd9 Asus4/E Dsus D Asus4/E G Em**

And we got to get ourselves back to the ga---aa--aa-----ar-den.
